

Tudor Rose Consultancy Limited  
Curriculum Vitae

**PETER PHILLIPPO**

LL.M FRICS MCI Arb PGDipAdj. MAE  
Quantum Expert Witness

**Profile**

Peter is a Chartered Quantity Surveyor and Fellow of the Royal Institution of Chartered Surveyors with significant experience within the Construction Industry serving employers, main Contractors and sub-contractors both within the UK and overseas.

He also has extensive experience dealing with bespoke construction and engineering contracts, both within the UK and internationally. His experience includes such issues as loss and/or expense, certification, forensic quantum analysis, assessment and apportionment of damage, contractual interpretation and procedural matters.

Peter has been instructed as Expert Witness in various disputes involving professional negligence, quantity surveying practice, quantum evaluation, and the assessment of damage and regularly assists both Counsel and solicitors with complex quantum issues.

Peter is a registered RICS Expert Witness on matters of Quantum, Claim Evaluation and Quantity Surveying Practice and is also an Accredited and Practising Member of the Academy of Experts.

Peter has contributed regular articles to the Construction Law Journal, Contract Journal, and Quantity Surveying News and sat on the Governing Council of the Society of Construction Law for over six years.
