

Profile

Marina graduated from the University of Portsmouth, with a Bachelor of Law degree. During her studies, Marina volunteered at a Legal Advice Clinic, where she demonstrated a keen interest in contract and land law. Valuable experience was also gained in conducting legal research, contract negotiations, handling legal and confidential documents and advising clients on legal matters.

Since joining Tudor Rose, Marina has been involved in a number of high profile projects, supporting the team with legal research and data management. Marina also ensures that all submission bundles are prepared and submitted on time and to the highest standard.

Marina intends to further her knowledge in Construction Law and Dispute Resolution.
